

# ARE YOU

# PROTECTED?™

AGAINST: • Rail wear • High lateral forces • Derailment

MC-4\*TR Top-Of-Rail applicator applying  
Kelsan's KELTRACK® Trackside Friction Modifier

Since the late 1920's Portec Rail has been Ahead of the Curve™ in Lubrication! However, today's stressful railroading environment requires more! Portec Rail delivers more than state-of-the-art in Friction Management, we are on the cutting edge of application technology and methodology for both Gauge-Face and Top-of-Rail with our **PROTECTOR® IV** Trackside Friction Management System. As leader and creator of the Friction Force® we offer complete friction management solutions in conjunction with our Friction Force® Alliance of independent industry experts. It's time to see what savings you are truly missing...

PROTECTOR® IV 800

**WE'RE STILL...  
"AHEAD OF  
THE CURVE™"  
IN FRICTION  
MANAGEMENT!**
